*"I had a heart attack a few years ago and really had financial problems with mounting medical bills, a tax lien, etc. I needed to buy a home for retirement and could not get financing. My score went from 525 to 807 in a matter of nine months. I not only qualify for a mortgage, I also received a 5% interest rate"*

*"I'm embarrassed to say how low my scores were, but they were in the high 400s. After 90 days, I'm almost totally clean, and my scores have risen into the 700s. I can't believe it. I'm getting my new mortgage at 5/175%. Thanks TRW!"*

*I was struggling to make my truck payment but couldn't trade to a lesser payment because my credit was so bad. In 72 days I was able to trade for a brand new truck at a lower interest rate and lower my payment to \$274.00 a month. What a Relief!"*

*"I just re-pulled credit for two clients in the last 24 hours who I enrolled in TRW's credit restoration about 5 months ago. The first client's mid score went from 508 to 640 and the other from 529 to 639, and they both have 7 months remaining on their contract with TRW."*

My client does a lot of 100% Non Owner Occupied properties, and I am able to get him a much better rate with his new credit scores."*

*"I cannot begin to tell you how shocked I am!!! I just received my Equifax statement today, and it says that the foreclosure issues that have been ruining my credit have been "deleted from the credit file." I thought my credit would be ruined for years. You all are miracle workers, and it was worth every dime I paid you. God Bless you for restoring my life back to me."*

*“One of my clients who lives in Alabama is a very happy customer. When she first came to me for assistance in her credit restoration, she had a bankruptcy, judgment and many other collection accounts. She stated that she had FICO mid score of 545. After the first round of disputes, through many HAPPY tears, she had a 626 mid-score. Her judgment came off all 3 reports and the bankruptcy only remains on one report. She has promised to tell all her friend to call TRW.”*

*“My husband and I were tired of paying rent and not being able to buy even the necessities of life. Then I was told to call TRW, and believe me it was the best call of my life. That was 7 months ago, and we were approved last week for the loan on our NEW home. Now we are just waiting to move in.”*

*“My credit repair is truly helping, and I want to thank you so much for that. I was able to purchase a BMW 325i and the best part of that is that I qualified for special financing offered by BM@ at 3.9% interest, and I will not have a car note for 3 months. My credit score was a 710 based on the credit report they used. I can't believe it!”*

**Traci B., Temple, TX**

*“Thanks so much for helping my clients. I am refinancing their mortgage of about 400k. When they began working with you, their mid scores were 575-587. After 6 months, their scores have improved to 668/684. The improvement in their score will equate to a large savings for them on their mortgage.”*
